

The Dallas T. Lower Memorial Scholarship

Criteria and Eligibility Requirements

Dallas T. Lower was a First Command Financial Services (FCFS) Advisor who sadly lost his battle with cancer in 2007. In addition to his devotion to his family, Dallas always hoped to help other financial advisors. In 2009 a generous anonymous donor helped make this dream a reality by establishing the Dallas T. Lower Memorial Scholarship specifically for First Command Advisors and their field support staff. This scholarship will award the following each year:

- One (1) \$1,000 reimbursement will be awarded to a field advisor.
- Two (2) reimbursement awards of \$500 each will be awarded to field support staff members.

Degree programs are not eligible for reimbursement for these awards.

Required Criteria and Documents:

Please review this information carefully before applying. Only those who meet **all** criteria and provide the required documents November 1-30 are eligible for consideration.

FCFS Field Advisor

1. Earned an advanced financial professional designation within the past 24 months,
2. Obtain a written endorsement from your District Advisor (DA) or Director of Advisor Operations (DAO); and
3. Provide a copy of the certificate of completion or receipt for the designation.

FCFS Field Support Staff Member

1. Earned within the past 12 months or currently be pursuing a professional license or certification.
2. Be directly employed by a First Command Advisor at a First Command Financial Services field office.
 - a. Have at least one (1) year of consecutive employment (full- or part-time)
 - b. Work as a field support staff member, i.e., AA/OM/CCS/Receptionist, or as a Licensed Associate or Associate Advisor
3. Obtain a written endorsement from your Advisor; and
4. Provide a copy of the certificate of course completion or course enrollment receipt.

Complete the scholarship application if you meet all the criteria. **Applications and supporting documentation must be submitted November 1-30.** Incomplete applications will not be considered.
